Thanks Bob, but I need to have separate expenses for August and September. Please send the monthly breakdown. Thank you.

I was just going through our Westchester BID financials and realized I have not put together any 2016 projections this year at all! I really do need to give the Board a report. Can you send me the monthly actual expenditure reports through Oct 31?

We just received the most recent Bank Statements and will send those over tomorrow.

Thanks Bob.
